

ALIT9019 Recycling Rules — Hall Notice

This notice explains what goes in which bin in student halls, effective this semester. It replaces all earlier printed notices.

Blue bin: paper, cardboard, flattened boxes. Rinse before binning.

Green bin: glass bottles and jars only. No ceramics or window glass.

Yellow bin: plastic bottles and clean food containers, caps removed.

Hazardous items (batteries, paint, electronics) do not go in any hall bin. Drop them at the Facilities Office, Block C, weekdays 9am-5pm.

Action: floor representatives must relabel bins by Friday, 25 Sep.

Owner: Floor Rep. Due: 2026-09-25.

Frequently asked questions

Q: What if a bin is already full?

A: Use the nearest overflow bin in the ground-floor lobby, not the floor.

Q: Are pizza boxes recyclable?

A: Only if free of grease and food residue; otherwise general waste.

Q: Who do I ask if a rule is not covered here?

A: Building staff at the ground-floor desk, not Facilities Office.

This document does not cover hazardous-waste disposal procedures or override any instruction given directly by building staff.
